C 00117045		2-K adhesive, for sticking the door panels and side panels, 15 kg, (27,- EUR / kg)	405,00

**Note:**

The wide body II - kit is suitable for all BMW 3/1 from 09.1982 and 3/R (convertible) from 03.1986. On models up to 08.1987 the original fog lights can no longer be used. (To recommend: Conversion lower front panel, fog lights and brake air ducts to model from 09.1987, see previous page)

**ATTENTION**

For the wide body II - kit with wheel/tyre-combination, registration in the individual approval procedure (§21 StvZO) is required. The acceptance is only possible at RIEGER Tuning.

All GFK-parts are screwed together individually. Only the door attachments and rear side panels are attached with 2-component adhesive.
